## Spreading The Word

A world without the Word of God is a place that is filled with darkness. The Bible says in Isaiah 52:7, “How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!”

Carolyn and I took that step of faith four years ago to spread good tidings, peace and salvation and God's Word has not turned void. We would like to personally thank Bearing Precious Seed of Milford, Ohio and Bible & Literature Missionary Foundation of Nashville, Tennessee for donating a total of 700 KJV Bibles. Also, our fellow laborers, Philippine Missionaries to Bohol, Phil and Tracey Jonhston from Ireland, for donating more than 10,000 Cebuano “Gospel of John.” Finally, a heart felt thank you to those of you who have contributed so faithfully to this fruitful ministry. God uses the Christian like you and churches to further His Word to the world! God bless you always.

## 4 Years In The Making

Christian Youth Campus Ministry celebrated our 4th year anniversary.

I had the privilege to preach on my 34th birthday and it was a memorable moment. More than 70 of our closes friends came (both Campus Ministries from high school and college) to help us celebrate this special day.

What made this day so special, our students made a video to express their appreciation and gratitude. Carolyn and I both cried for joy at their heart felt testimonies.

## Fall Camp in October

We've recently come into a situation where our financial needs greatly outweigh our financial support.

This ministry is unique, in that we are paying two rents and two utility bills (home and office) and with both of these increasing every year along with taxes and governmental permits, it is a luxury just to buy fresh meat for supper.

We are asking for funds for our October and December camps. They will cost roughly \$300 each. If you feel lead to give to either of these events, no matter how small, you will be directly helping these youths in their Christian lives.

I humbly ask you to consider helping us remain in Bohol to continue this work. I know that this is a trying time financially for everyone but we hope you'll take this opportunity to help spread the gospel to the world.

Please pray about supporting us in this great work in the Philippines.

Thank You, Pastor Mel Ragodos & Family
